Suleiman Suleiman is an actor with a specialist interest in Shakespearean and Japanese drama. Since graduating from Goldsmiths College and Mozarteum University of Salzburg in 2017, Suleiman has performed with Gate Theatre, The Royal Opera, English National Opera and The Royal Ballet. He is driven by the desire to distil beauty through the vitality of physical movement and has looked especially to Japanese arts - kabuki in particular - but also Japanese prints and painting, garden arts, costume, film and literature, to imbue gestures both with a light touch and precision of emotional expression.
